FOR IMMEDIATE RELEASE:

July 25, 2016

## **Blacks Mill Road to Close for Replacement of Bridge over Little Hunting Creek**

FREDERICK, MD – The Frederick County Office of Transportation Engineering announced today that Blacks Mill Road will be closed at the crossing over Little Hunting Creek to replace Bridge No. F15-20P. The work will start on or about August 22, 2016. This will allow Highway Operations staff to complete the replacement of the existing structure with a hydraulically in-kind box culvert.

Construction is anticipated to be completed no later than October 1, 2016, weather permitting. This project is part of Frederick County's Capital Improvement Program.

A signed detour route will be in place during the road closure. The detour will utilize Hessong Bridge Road, Kellys Store Road and Catoctin Furnace Road (MD Route 806). Emergency personnel and the appropriate local agencies have been notified.

For additional information, contact Mike Ramsburg, Office of Highway Operations, at 301-600-3453 or via e-mail at [MRamsburg@FrederickCountyMD.gov](mailto:MRamsburg@FrederickCountyMD.gov).
